

Quick Overview

We live a life of improv. Every moment of every day of our lives is made up on the spot. What I didn't know was that when watching stage improv, the actors are following a simple set of rules. That's why it works.

The rules of stage improv work in life and business. In fact, if followed effectively, the results are unmatched with any other training. Improv training is a huge key for success and works as a fundamental training for all other training you will ever receive.
